

MEDICINE SAG

JOHANNESBURG

05 APRIL 2017

Report on Workshop Topics

- All but one member embraced workshop topics developed at the Johannesburg Meeting
- Only one member retained the workshop plan earlier sent with some modification

Workshop Topics Proposed

- Improving on Assessment Across the Whole Programme
- Alignment of ILOs to Teaching, Learning and Assessment Methods in Clinical Training
- Student Workload and Credit System
- Student Ownership of Learning

Experiences Working With Other SAGs

- Broader perspectives of workshop plans
- Improvement on understanding of deployment of competences learnt to other programmes in the Universities
- Peer assessment
- Very productive in developing consensus with other programmes
